

FOR IMMEDIATE RELEASE:

A Master's Hands Receives 2015 United States Excellence Award

January 16th 2015 - A Master's Hands, LLC has been selected for the 2015 United States Excellence Award amongst all its peers and competitors by the US Commerce & Trade Research Institute (USCTRI).

Each year the USCTRI conducts business surveys and industry research to identify companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Small businesses of this caliber enhance the consumer driven stature that the United States is renowned for.

A Master's Hands has consistently demonstrated a high regard for upholding business ethics and company values. This recognition by USCTRI marks a significant achievement as an emerging leader relative to various competitors and a company that is setting benchmarks that the construction and engineering industry should follow.

As part of the industry research and business surveys, various sources of information were gathered and analyzed to choose the selected companies in each category. This research is part of an exhaustive process that encapsulates a year-long immersion in the business climate of the United States.

About USCTRI

The USCTRI is a leading authority on researching, evaluating and recognizing companies across a wide spectrum of industries that meet

its stringent standards of excellence. It has spearheaded the ideals of independent enterprise and entrepreneurial growth, and allowing the most highly respected businesses of all sizes to be recognized locally and encouraged globally.

Particular emphasis is given to meeting and exceeding industry benchmarks for customer service, product / service quality and ethical practices. Industry-leading standards and practices have been developed, and then implementation of the same has been pioneered by the dedicated efforts of the business community and commerce leadership.
